

DATA PROTECTION

We hereby inform you that your data will be stored for the purpose of performing the contract and subsequently proving the terms of the contract.

Your data will not be passed on to third parties, unless the third party (eg, a transport company) is acting as a subcontractor to our company at the time of performance of the contract. However, in this case, the subcontractors are in no way entitled to retain, use or transfer any personal information provided by us.

While browsing the site, technical information (such as log files containing the user's ip address, the time, the URL of the site you are visiting) is recorded and is not used for personal identification but for statistical purposes or to recommend additional products. The system also stores data on the user's computer in the form of >> cookies << (cookies). Cookies are not personally identifiable and remain in use for 180 days after or during use.

In order to use this website system, you need to enable cookies in your browser, without which some functions will not work. In all cases, an invoice will be made for the product ordered, which will be stored in the manner and for the time required by applicable legislation.

Personal data: When you sign up with our system, you will need to provide some information that may be linked to information obtained from other services on the Site or from other companies. The information collected will be used to provide the requested services. Services may include the provision of personalized content and ads. We may use the information to provide information about the products and services of the Site and its affiliates and to request surveys of the Services. The first (and every subsequent) request, it is possible to disable this. If you do not wish to receive further promotional emails from the Site, please follow the instructions in the email you received. We treat your data in accordance with the Privacy Act. Pursuant to the Data Protection Act (Act LXIII of 1992) and the Act Direct Marketing (Act CXIX of 1995), we would like to inform you that by registering, placing an order as our client, you agree that your personal information (name, address, telephone number, email, purchase data, etc.) HUNG R&D Nonprofit Ltd., as a data controller, stores, processes, and uses it in accordance with the requirements of data protection legislation for sending goods and sending purchase offers. The provision of data is voluntary. We keep your records for 5 years. If there is a change in your information, please let us know by changing your registration. You can request the deletion of your data from our customer service (HUNG R&D Nonprofit Ltd., 2600 Vác Szivárvány u. 15).
